▶ A GREAT SHOW OF GATHERING GLOBAL NONWOVENS INDUSTRY

Asia Nonwovens Exhibition 2015 (ANEX) combined with The 16th Shanghai International Nonwovens Exhibition (SINCE), was successfully held during May 13th to 15th, 2015, in Shanghai, China.

During the exhibition period, the total 400 exhibitors welcomed 20,090 trade visitors from 55 countries, including China, Korea, Japan, India, Singapore, the United Kingdom, Germany, Belgium, Italy, Switzerland, Turkey, Brazil, etc. The trade visitors profile covered the industry range of composites, hygiene, medical, wipes, geosynthetics, filtrations & separations, electronics, energy, automotive interiors, apparel, interior fabrics, packaging, etc.

The total exhibition scale reached 25,000sqm gross space of over 11501.5 sqm net space, which also reach its historic peak since its debut in 1987.

Beside the exhibitions hall, the conference area also become highlights of the ANEX/SINCE 2015. The Global Nonwovens Summit (GNS) and the Technical presentations during the show provide an additional communication platform and attracted numerous trade visitors' attention.

▶ TRADE VISITOR SUMMARY

20,090 trade visitors

15,910 China local trade visitors, **79.2%** out of total

4,180 international trade visitors, **20.8%** out of total

55 countries and regions

	Local trade visitors	International trade visitors	Total
DAY 1 (2015/05/13, Wednesday)	7501	2643	10144
	73.9%	26.1%	
DAY 2 (2015/05/14 Thursday)	6536	1178	7714
	84.7%	15.3%	
DAY 3 (2015/05/15, Friday)	1873	359	2232
	83.9%	16.1%	
ALL EXHIBITION PERIOD	15910	4180	20090
	79.2%	20.8%	

Countries & regions breakdown

Thanks to the huge market demand of nonwovens products from China market and the geographic advantage of Shanghai, the trade visitors from China mainland amounted to 79.2% out of total. Among the 20.8% international trade visitors, visitors from South Korea, Japan, Taiwan and India ranks the top.

Exhibitors category breakdown

► EXHIBITORS SUMMARY

90% of the visitors visited ANEX / SINCE 2015 are generally satisfied with the experience.

60% of the visitors are involved in purchase and procurement decisions.

80% intend to visit the next SINCE in 2017, while **75%** would recommend SINCE 2017 to others.

78% of the trade visitors agree that SINCE is one of the most leading brand of Nonwovens exhibition in Asia Pacific region.

▶ EVENT PROGRAMS

14 Technical presentations, **5** Key note speeches
ONE Industry congress

Technical Presentations

TSA – Tissue/Nonwoven Softness Analyzer

Alexander Gruner
Global Marketing & Business Development Manager
Emtec Electronic GmbH – Germany

How Adhesives Enable Hygiene Product Development

Evan Yuan
Technical Manager, Hygiene, Asia Pacific
H.B. Fuller (China) Co., Ltd.

Tencel®, Skin Friendly Fiber for Hygiene Applications

Dr. Shayda Rahbaran
Business Development Manager, Hygiene, Asia Pacific
Lenzing AG

Filtration 4.0 - Money For Nonwovens Production Through Cutting - Edge Filtration

Dr. Nicolas Komorek
COO
Filtertechnik Europe GmbH & Co.KG

Metallocene Propylene Performance Polymers for Nonwoven Adhesive Applications

Jennifer Jensen Austin, Ph.D
Senior Staff Chemist
ExxonMobil Chemical Company

Xerium Engineered Fabrics, Belts and Roll Products for Enhanced Web Production

James Robert Taylor
Global Director Sales & Marketing
–Specialty Products & Services. Youngsville, NC, USA.
Xerium Technologies

Design and Development Of Filter Media to Control Airborne Sub Micron “Nano” Particles

Jay Forcucci
Sr. Director Product Management – Filtration Segment
PGI (Polymer Group Inc.)

Technical Presentations

Lamination Solutions for Hygiene Absorbent Products via The Whole Value Chain. from Film Conversion to Final Product Attributes

Jackie de Groot
Global Technical Strategy & Innovation Leader, Hygiene & Medical
The Dow Chemical Company

Adhesives Solution For Safer, More Comfort and Sustainable Hygiene Products

Andy Swain
Head of Global Product Development for Hotmelt
Adhesives Technologies

Adhesives Solution For Safer, More Comfort and Sustainable Hygiene Products

Xie Yu
Marketing Manager of Hygiene Business Asia Pacific
Henkel (China) Investment Co., Ltd.

Advanced Wiping Solutions for Global Manufacturers

Wendy Warner, PhD
Senior Director of Global Product Management –
Wipes Segment PGI (Polymer Group Inc.)

Chinese Consumers and Hygiene Products -Shopping Behavior and Brand Decision Making

Jan O' Regan
Director, Strategic Initiatives for Cotton Incorporated
Cotton Incorporated

Soft Solutions to Help Differentiate Hygiene Absorbent Products. from Conversion to Final Product Attributes

Yutaka Maehara, Asia Pacific Application Technology
Leader for Hygiene and Medical
The Dow Chemical Company

Winding, Slitting, Spooling and Festooning – Solutions at Your Choice

Jesus Lopez Marin,
Managing Director
Edelmann Technology GmbH & Co. KG

Solutions for Increased Performance and Efficiency

Leon, Liu
BD & AE Manager
Nordson China

Global Nonwovens Summit

Co-organized by ANFA, EDANA, INDA

200 Attendees, 6 Key note speeches about the tendency of global nonwovens industry

Welcome Speech

Mr. Wang Yanxi Chairman of ANFA

North America Nonwovens Industry 2014

Mr. David E. Rouse President of INDA

European Nonwovens Industry 2014

Mr. Pierre Wiertz General Manager of EDANA

The Present and Future of South-American Nonwovens Industry

Mr. Rolando Dominguez Former General Manager of PGI Latin America

Asian Nonwovens Industry 2014

Mr. Hideo Tsuchiya Secretary General of ANFA

The Situation and Progress of Nonwovens International Standard

Mr. Pierre Wiertz General Manager of EDANA

The Latest Trend of Nonwovens Technology and Products in the World

Dr. Osamu Yaida Adviser of ANNA; Former Prof., Kyoto Women's University

▶ A GLANCE AT ANEX/SINCE 2015

SEE YOU IN 2017 AT SINCE 2017

Date: 2017. 11.8~11.10
